

Unattended Donation Box Partner Program

Our Donors Could Be Your Customers!

Turn a few parking spaces into a benefit for your business, your customers, and your community

Last year more than 890,000 donors brought their donations to Goodwill - hosting a center will increase your customer traffic.

Goodwill's new Unattended Donation Boxes are a visible sign to the public that your business cares about the community.

About Us

The mission of Goodwill is to help people and families in our community achieve a better life through work and independence.

The sale of donated goods in our retail stores supports employment and training services that help individuals secure and maintain long-term community employment and improve their quality of life.

Purpose

The purpose of the Unattended Donation Box Partner Program is to secure locations for placement of Goodwill Donation Boxes. The box is used to collect donations including clothing, housewares, shoes, toys, and all other non-breakable items that will be sold in Goodwill retail stores.

How You Can Help

By allowing the placement of a Goodwill Unattended Donation Box on your property, you are helping Goodwill achieve its mission of helping people and families in our community achieve a better life through work and independence. Donations make Goodwill work - allowing us to provide critical job training programs that help individuals maintain long-term employment, and an improved standard of living.

Goodwill Provisions

We will provide a well-maintained and beautifully branded donation center on the owner's property as designated. Donors can drop their items 24 hours a day, 7 days a week, in the pull down door, which closes securely after opening. Charitable tax deduction receipts are not available for donations left in the Unattended Donation Boxes.

A toll-free 1-800 number is provided on front of each donation box in case of an emergency or questions.

We will ensure that sites and surrounding areas are kept clean and free of debris, with frequent pick-up service. If for any reason, the owner's expectations or requirements are not met, the donation box will be removed within three days.
